

Mighty Sports Presents

# Smart-Arena™

## Instant Paintball Arena Solution

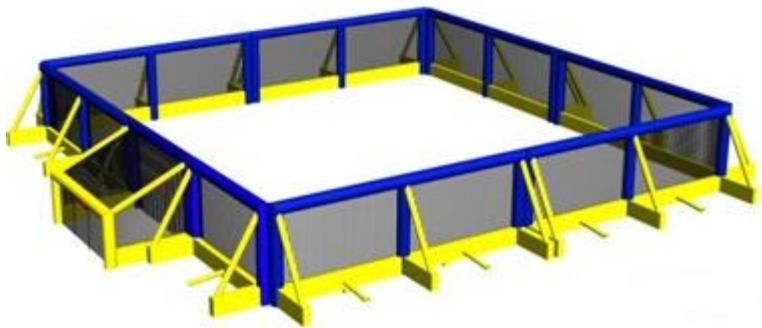

Mighty Sports | A Trusted Name You Can Depend On

# Overview

The Smart-Arena™ is an inflatable series of modular wall panels that uses its unique design to assemble a paintball field quickly.

The Smart-Arena is developed and designed for business owners that wish for a paintball field featuring professional design, low cost, easy setup, low maintenance, easy transportation, and multi-functions. Smart-Arena can be used for temporary events and fairs, as well as semi-permanent field setup. With Smart-Arena, the business owners can start their business instantly and benefit the quick turnaround of cash flow.

- Smart Design
- Cost Savings
- Easy Setup
- Flexibility
- Self-Supporting
- Staging Area

---

Smart-Arena™ | Exclusively from Mighty Sports

*\*\* Smart Arena™ is the trademark of Mighty Sports. Smart Arena™ system and design is a patent-pending design and protected by US Patent Laws as well as International Intellectual Propriety Laws. Any copy and/or imitation activities of the design are illegal and will be prosecuted by laws. \*\**

# Smart Design

- Patent-Pending Design—Mighty Sports is the ONLY company making a stand-alone paintball arena. Look out for imitators!
- The Wall Module System allows for easy adjustment or future expansion.
- Easy to repair material that can be cleaned with water.
- Unique self-support structure
- Wall module design allows for easy adjustment to make your Smart-Arena™ larger or smaller.
- All-inclusive setup: Each wall comes with netting attached. No need to hang heavy netting!
- Electric Blowers included to support structure
- Water Sand Bags and other accessories are included to provide additional support

Smart-Arena™ | Exclusively from Mighty Sports

\*\* Smart Arena™ is the trademark of Mighty Sports. Smart Arena™ system and design is a patent-pending design and protected by US Patent Laws as well as International Intellectual Propriety Laws. Any copy and/or imitation activities of the design are illegal and will be prosecuted by laws. \*\*

# Easy Setup

- The Smart-Arena™ semi-permanent setup only requires minimum two staffs to complete.
- Bring wall panels, electric blowers, filled water sand bags, and generators (if needed) to your setup site. The Smart-Arena™ is totally inflatable. The electric blowers are included in every Smart-Arena™ package.
- Unfold deflated arena panels exactly where you wish each modular wall panel to be located once inflated.

---

Smart-Arena™ | Exclusively from Mighty Sports

*\*\* Smart Arena™ is the trademark of Mighty Sports. Smart Arena™ system and design is a patent-pending design and protected by US Patent Laws as well as International Intellectual Propriety Laws. Any copy and/or imitation activities of the design are illegal and will be prosecuted by laws. \*\**

# Easy Setup

- Electric Blowers are attached to each modular wall panel to inflate the arena. Each modular wall panel will have a vinyl sleeve, as pictured above, that will tie around the end of each blower.
- Plug in the electric blowers to your generators.
- Turn the electric blowers on and watch as your wall panel inflates. You will leave the blowers running to keep your Smart-Arena™ inflated.

---

Smart-Arena™ | Exclusively from Mighty Sports

*\*\* Smart Arena™ is the trademark of Mighty Sports. Smart Arena™ system and design is a patent-pending design and protected by US Patent Laws as well as International Intellectual Propriety Laws. Any copy and/or imitation activities of the design are illegal and will be prosecuted by laws. \*\**

# Easy Setup

- Smart-Arena™ inflates in minutes.
- The netting comes pre-installed. You do not need to connect or hang the netting to the modular wall panels. There is no need to install heavy netting at any point with the Smart-Arena™ setup.
- Your water sand bags will need to be filled with water and placed inside the Smart-Arena™. This process will be better explained on the next page.

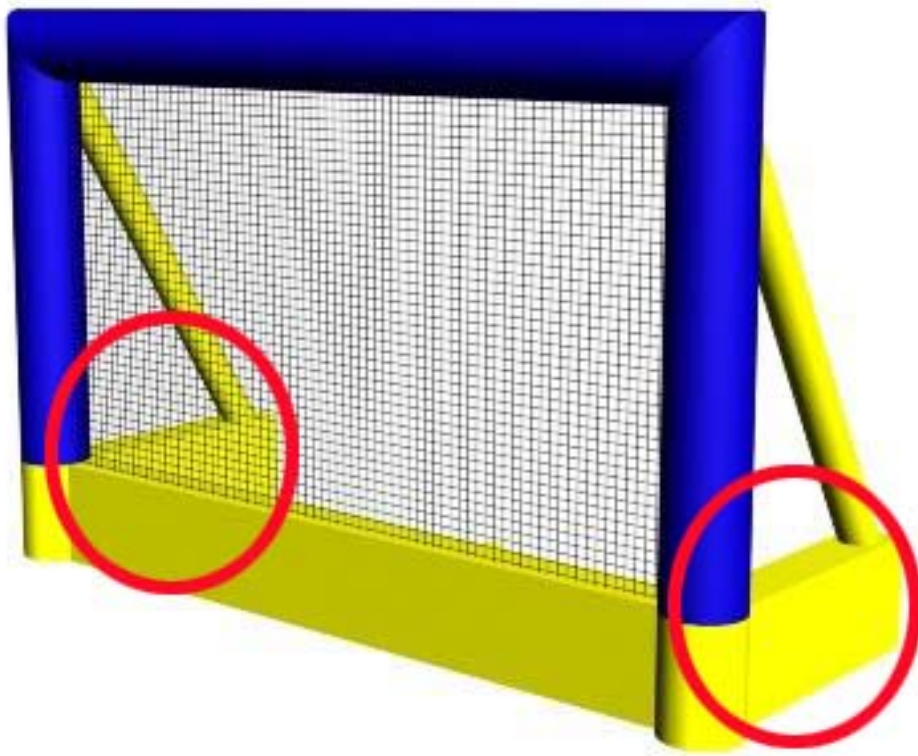

---

Smart-Arena™ | Exclusively from Mighty Sports

*\*\* Smart Arena™ is the trademark of Mighty Sports. Smart Arena™ system and design is a patent-pending design and protected by US Patent Laws as well as International Intellectual Propriety Laws. Any copy and/or imitation activities of the design are illegal and will be prosecuted by laws. \*\**

# Easy Setup

- Water Sand Bags are used to help weigh down the arena. The sand bags can be filled with water and placed inside the yellow 'feet' of the modular wall panels. The circled areas above will hold two water sand bags each.

---

Smart-Arena™ | Exclusively from Mighty Sports

*\*\* Smart Arena™ is the trademark of Mighty Sports. Smart Arena™ system and design is a patent-pending design and protected by US Patent Laws as well as International Intellectual Propriety Laws. Any copy and/or imitation activities of the design are illegal and will be prosecuted by laws. \*\**

# Easy Setup

- The following images will provide a better understanding of how the water sand bags help support the Smart-Arena™.
- Two water sand bags are located inside the concealed pouch. The water sand bags add weight to the modular wall panels, allowing the Smart-Arena™ to support itself.

---

Smart-Arena™ | Exclusively from Mighty Sports

*\*\* Smart Arena™ is the trademark of Mighty Sports. Smart Arena™ system and design is a patent-pending design and protected by US Patent Laws as well as International Intellectual Propriety Laws. Any copy and/or imitation activities of the design are illegal and will be prosecuted by laws. \*\**

# Easy Setup

- The pouch is sealed with velcro. This self-supporting design allows Smart-Arena™ owners to setup on any hard surface.
- The water sand bags contain replaceable water bladders. These bladders are protected by a very strong external vinyl material.

---

Smart-Arena™ | Exclusively from Mighty Sports

*\*\* Smart Arena™ is the trademark of Mighty Sports. Smart Arena™ system and design is a patent-pending design and protected by US Patent Laws as well as International Intellectual Propriety Laws. Any copy and/or imitation activities of the design are illegal and will be prosecuted by laws. \*\**

# Easy Setup

- Once the arena is fully inflated, use the included metal stakes to secure the Smart-Arena™ to the ground.
- Walk around your Smart-Arena™ to make sure each modular wall panel is connected and paintballs can not leave the playing area between the panels.
- The Smart-Arena™ is now ready for paintball play!

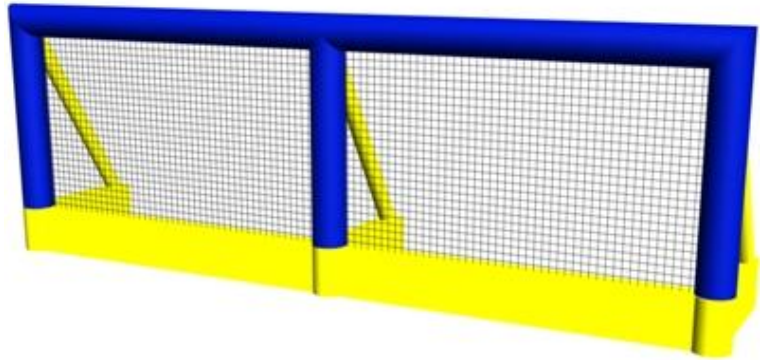

---

# Adjustable

- Additional modular wall panels can be added to your existing Smart-Arena™ to increase the paintball playing area

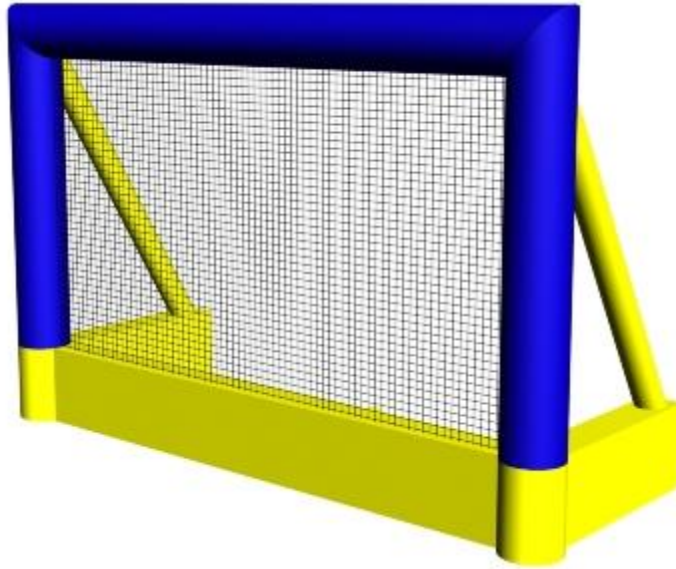

- The Smart-Arena™ can also be smaller by taking away wall panels. Our unique modular wall panel design provides great flexibility for field owners.
- Wall panels come in two different sizes
  - 25' L x 15' H
  - 50' L x 15' H
- Lightweight design makes for easy handling
- Standard Paintball netting included; meets and exceeds ASTM standard F2278-03

# Self-Supporting

- Smart-Arena™ features a one-of-a-kind Triangle Brace Support system with included water sand bags.
- The Triangle Brace Support system is a unique design that allows the Smart-Arena™ to stand upright and stable on its own.
- Modular wall panels are detachable for easy handling and transportation.
- Metal stakes are included to complete setup.
- No tie downs are needed, unless required by local law.

# Staging Area

- The Staging Area is used for teams preparing for the next game. Players here will have loaded paintball markers and need to be separated from all other patrons.
- Made from mesh-reinforced, double side coated PVC for long time use
- Totally enclosed
- 15'x25' in size
- Unique single structure
- This design has a unique double entrance that enhances safety at your field. The netting comes pre-installed. Smart-Arena™ owners will not need to hang any heavy netting.
- Standard paintball netting included, meets and exceeds the ASTM standard F2278-03
